The Macon GOP CENTURY CLUB 2023

We are living through difficult times – our nation and our American values are under attack from within. Become a Century Club member and support your fellow conservatives here in Macon County who are working to right the ship. 2024 is right around the corner.

Your Century Club membership helps -

- Maintain our *volunteer-staffed* headquarters (rent, lights, internet, supplies)
- Host events that translate into votes for our candidates
- Provide training for Election Observers
- Purchase advertising to promote voting and GOP events
- Support local, district, and state conservative Republican candidates on the general election ballot

The CENTURY CLUB is open to those who donate \$100 or more annually to the Macon County Republican Party, as election finance laws allow. Our goal is at least 100 members each year.

If you are unable to contribute financially at this time, please consider volunteering your time.
